

Matt Nischler, AUS, #230 (2016)

Hi there,

It was the most challenging and amazing event I have ever completed. The course showcased the beauty and diversity of the Austrian landscape and was the most gruelling terrain I have ever experienced.

I was so appreciative of the support and warm welcome I was given by all the organisers and staff involved in the event, who made me feel special as the only Australian competing.

The race pushed me beyond what I thought I was capable of, both physically and mentally, and I feel such a sense of pride and achievement for finishing it.

The experience will stay with me for ever and I am so grateful for the opportunity to take part in such a unique and demanding endurance event.

Cheers, Matt Nischler
